PROJECT

Food Delivery App

Figma Link

This project is a modern food delivery mobile app UI designed to provide users with a simple and engaging way to discover food, explore restaurants, and place orders.

The design focuses on a mobile-first experience with a visually attractive dark-purple theme, clear food categories, promotional offers, restaurant recommendations, and easy navigation.

Key Features

- Delivery location displayed at the top for quick context.
- Search bar to find orders or food easily.
- Food categories such as Burgers, Dessert, Maxicon, and Sushi.
- Promotional banner highlighting discounts like 30% OFF.
- Restaurant recommendations under "Fastest near you."
- Bottom navigation for Explore, Favorite, Cart, and Profile.
- Quick-access icons for delivery/service options.
- Card-based layout for better organization of food and restaurant content.

Travelling App

Figma Link

This project is a travel booking mobile application designed to help users easily search and book trips according to their preferences. Users can search for a location, select their travel date and time, view available travel options, check destination details, and proceed with booking.

The UI focuses on providing a simple and convenient booking journey, from searching for a destination to completing a reservation. The clean mobile-first design uses travel imagery, clear input fields, promotional offers, and prominent call-to-action buttons to make the booking process easy and engaging.

Key Features

- Search Location – Users can search and select their desired destination.
- Select Date – Users can choose their preferred travel date.
- Select Time – Users can select a suitable travel time.
- Search Trips – Find available travel options based on location, date, and time.
- View Details – Check information about the selected destination/trip.
- Offers & Discounts – Display promotional offers such as 50% off.
- Book Trip – Users can proceed to book the selected travel option.
- Continue – Guides users through the booking process.

Declaration : I hereby declare that all the details furnished above are true to the best of my knowledge and belief.

Place : Mumbai)
